

## AGHADERG GAA

### “Come Dine with Me”

### Fund Raising Event

Your club is launching a “**Come Dine with Me**” event to support funding for our children’s participation in GAA activities for the coming year 2016. The event can start any time after 7/11/2015 and finishes Sunday 3/4/2016.

The idea is that a couple or individuals from your own chosen group host the others to a ‘wine and dine’ evening in their home. Groups can be made up of whatever number you decide, possibly groups of 6 to 8 persons, however no group can be too large or small just whatever is suitable. The guests pay £25 per person for the evening. Each couple/individual hosts the group at a suitable time over the next few months until each group has been ‘wined and dined’ by all group members. No scoring involved so no pressure! The event will be spread over a 5 month period to allow a break over Christmas. Completion date is Sunday 3<sup>rd</sup> April 2016.

A nominated member then collects all the funds raised by the entire group members; cheques should be made payable to “Aghaderg GAA” and forwarded to Donal Moran, our finance man.

The success of the event will depend on communicating and ensuring as many people as possible are aware of the event. No group is expected to register or formally give notice to the club of their participation prior to submitting the raised funds.

Please discuss, form or join a group; have fun and many great evenings of craic with friends .....our kids and club will greatly benefit.

Thank you,

Kieran Lennon
