Running our club

February 2016

A Chara,

Every year before a ball is kicked or a sliothar struck the club must find nearly £40,000 to cover basic running costs. In latter years it has taken a great effort by a small number of individuals and prudent management by our main committee to raise the funds necessary to run the wide and varied activities of our club. Of course none of this would be possible without the financial support of you the members.

I would like to encourage you all to continue to support us financially by attending club events and fundraisers, supporting the club lotto either online or through our sellers and, at this time, by ensuring your membership is paid on time.

There are many more things we'd like to do within the club both on and off the field. There are lots of ideas, not just to raise funds, but to put structures in place to develop our club and to contribute to the wider community through activities designed to improve health and encourage involvement in playing and non-playing activities for all.

To do these things and to create a vibrant and active community around our club I would like to encourage you to get involved. This may mean helping in areas that will impact positively on your children or it may mean helping out now and again to undertake specific tasks or to drive a particular area of club activities. Please take a moment to look at some areas where you might be able to help and let me know if it is something you'd like to explore.

I wish you all a successful season in the year ahead.

Le meas

Pat McGrath, Chairperson Mob: 07887 535293
