

Aghaderg GAC and Ballyvarley HC Policies and procedures

GAA clubs are increasingly busy and complex places. They do a lot of different work with a lot of different people and are continually developing in their approach. In the main, our clubs are mostly centred around underage players and maintaining their commitment to senior level. Sometimes they work in partnership with others and often avail of monies and grants to support them in their work.

Clubs cannot afford to be haphazard in how they do things. In an effort to develop clubs we need to have policies and procedures in place that cover our basic area of work and give direction and guidance when needed.

This allows our clubs to operate to the highest possible standards, have a framework within which to make decisions, ensures that there is not an over reliance on unwritten knowledge held by a few, we all follow and operate by the same standards so that decisions are not just left to the whim of the individual. Above all else these frameworks provide us all with a level of protection and ensure a safe and secure place for all of us to enjoy!
